## PROFESSIONAL EXPERIENCE

### Coder Foundry, Web Software Engineer

Kernersville, NC · July 2020 – September 2020

- Created three primary projects, including:
  - A portfolio site using C#, MVC, HTML5, CSS3, BOOTSTRAP, JS & jQuery.
  - A Financial Portal implemented in three phases. Phase 1: an MVC Web Application, Phase 2: a Web Service that utilizes Swagger and Swashbuckle for integrated testing, Phase 3: A cross platform Xamarin Mobile Application.
  - Fully designed and developed a multi-functional issue tracker web application, implementing enhanced roles & security, which also used a Code First Relational database designed and modeled in SQL Server. Technologies used include: .Net Framework v. 4.6.1, MVC5, C#, LINQ, SQL, Entity Framework, jQuery DataTables.

### Alex Lynn Behavioral Consultation, International Consulting Specialist

Dubai, Doha · 2018 – 2020

- Mentored 9 Applied Behavior Analysis graduate students and edited dissertations at universities and clinical settings in Ireland, Nigeria, Canada, and United States. Resulted in 100% pass rate for supervisee thesis defense and 100% successful board certification.
- Created ethics committee to review current research topics within field, best practices for service delivery, and peer review for challenging cases; led to improved documentation and clinical services for 80+ clients in 5+ centers.
- Presented series of parent and paraprofessional training workshops for 55 attendees, utilizing QR code scanning technology to track performance, resulting in >60% improvement in functional behavioral methodology skill-set.
